Subject: Release of NIE 36. 5-56 to Foreign Governments

25X1C 1. Attached and forwarded for information are mimeographed copies of the sanitized version of NIE 36. 5-56, "The Outlook for US Interests in Libya," prepared in this form by the Board of National Estimates, in consultation with Mr. Armstrong, for release [REDACTED] 25X1C [REDACTED] as directed by the IAC at its meeting on 26 June 1956 (IAC-M-224, 26 June 1956, item 5 b and Secretary's Note 3).

25X1C 2. At the IAC meeting on 26 June there was no specific discussion of the question of releasing this estimate in the same sanitized form to other foreign governments, [REDACTED] Since the IAC has already discussed the principle of release, we propose that the various IAC agencies advise the IAC Secretariat by telephone (Code 143, ext. 3402) no later than Thursday, 12 July, as to their concurrence or non-concurrence in the release of the sanitized version of this estimate
